

# SNACKS | DAY 3

**Bible Story:** Peter Says That Jesus Is the Messiah • Matthew 16:13-20

**Bottom Line:** You can TALK with others about what you believe.

## POPCORN PEP TALKS

**What You Need:** Popcorn; chocolate chips

### What You Do:

- *Optional:* Add a few chocolate chips to the popcorn.
- While kids eat, encourage them to “pop up” randomly and share something they’ve learned so far this week.

### What You Say:

“This week, we’ve been learning about the things we can focus on when it comes to our faith. You can focus on what we see that God has made, you can hear from God through His Word, the Bible, AND **[Bottom Line] you can TALK with others about what you believe.** Maybe something you’ve learned can help someone else. Or maybe a question someone asks is one you’ve been wondering about yourself. Talking about your faith is one important way to help you grow.”
