What You Say:

“When someone asked Jesus what the greatest commandment is, what was His answer? *(Pause for responses.)* Yes! To love—love God and love others. **[Bottom Line] You can LIVE for God by loving others.** What if for the rest of the summer and the coming school year, you decided to focus on this ONE thing? What if you chose to love in every situation, in every interaction, at every opportunity? What if love was your first response? I know your faith would grow. And your willingness to love well could show others just how much God loves them, too. Because **[Bottom Line] you can LIVE for God by loving others.**”
