

Dear Parents/Guardians/Church Members,

I hope this letter finds you in the peace of the Lord. Summer is upon us. My team and I worked hard to put together this schedule. We are excited to spend time in fellowship with students! As a church we are committed to give the best of us so that they have a memorable summer, Christ will be preached to them, they will build relationships with each other, and increase their knowledge of and intimacy with God. For these reasons we would be honored if you partnered with us in the summer program through prayer, donated time, and financial support. We are expecting to serve nearly 100 students this summer (including junior high and high school students, and leaders). It is our hope that each student's experience will be paid for. This includes meals from several restaurants, admission to Metal Mark/Wild Water/Defy Clovis, food and drinks for the formal event and the pool party etc., and we estimate these expenses to be approximately \$4,500 for the entire summer. Just to reiterate, this is the total price for the group, not each individual. We humbly ask that you give however you can. Thank you in advance for your support.
